

Inver College

Litter Policy – First Draft –December 2013

Aim: The aim of this policy is to foster an awareness of our environment in order to create an atmosphere wherein the students and staff of Inver College have the right to learn/work in a safe, clean and healthy environment.

It is our goal to create a litter free environment for our staff and students. We recycle waste wherever possible. We see these aims as applying beyond the school buildings, to the car park and areas around the school.

Feel free to change and/or add other aims.

Responsibilities: All members of the school community have a responsibility:

- Not to drop litter.
- To pick up litter that is lying around
- To use recycling bins whenever possible.
- To assist the caretakers and cleaning staff in maintaining a clean school.

Other areas to consider:

Classrooms

Corridors

Canteen

Eating and drinking on the corridors

School bags left lying around

Sanctions for offenders (litter picking during break/lunch time)

Who is responsible for enforcing the policy?

Next meeting.
